Download File

double click to unzip!

10. On the way to verification this is what Kristen created for you.

- a. Private Live Link just for your customer purchases
- b. a Receipt for purchases with that Live Link embedded in.
- c. the LIVE link takes your customer to the Wedding Planner Page with full instruction just like this, so they can activate there purchase of Evernote Wedding Planner and get to Planning there Wedding.

11. I know its MAGIC!

12. Now all you have to do is list the product with graphics, description, link the receipt on your Website Shop for \$17.99

And share it with your Brides.

Happy Productivity!
