

It's what we can do...

Jireh Refugee Relief Project

You know that I believe we can move heaven to earth.

The actions of the heart are a powerful force.

Today I take my pen to ask for your help in partnering alongside of me and my community with a hands of touch of support for those on the front lines of assistance for the Ukrainian people.

- **There church community just 30 miles from the border of the Ukraine.**
- **There hearts opened the doors of relief immediately!**

My faith community have the privilege to support Slovakian Missionaries Mark and Valerie Zechin for almost 10 years.

I personally put my stamp of trust on the integrity of there leadership and heart. They oversee several church community's and have been a missionary force in Eastern Europe for over 30 years.
